Alumni Go Far

“The experiences I had at CSUCI helped prepare me for the career of my dreams.”

From traveling to Japan to do tsunami restoration at the Fukushima Nuclear Power Plant to the philanthropy projects as President of the Zeta Pi Omega sorority, I had many things that made me stand out from other applicants to medical school.”

Noelle Boudro '12 B.S. Biology
Doctor of Physical Therapy, Glendale Adventist Medical Center

“While studying at CSUCI, one of my professors told me, ‘When you know better, you do better.’

In my job today, I know that I am called to give back and lead others to end youth homelessness. I pursue becoming a better person today for tomorrow’s pursuits.”

Jevon Wilkes '12 B.A. Communication
Executive Director, California Coalition for Youth

“I started my Android development through a one-on-one directed study with a great professor. After graduation, I worked locally in Ventura County for tech companies, honing my skills. My education and experience

prepared me for a great job as a Software Engineer at Google.”

Daniel Vournazos '14 B.S. Computer Science & Mathematics
Android Software Engineer, Google

First-Time Freshmen

go.csuci.edu/FreshmanAdmissions

What are CSUCI's admission requirements?

Fall + Spring

Upper Division Transfer

You must meet all four of the below requirements by the aforementioned deadlines:

1. A minimum of 60 transferable semester units or 90 transferable quarter units; AND
2. Have a cumulative GPA of 2.0 (C) or better in all transferable units attempted; AND
3. Be in good standing at the last institution you attended; AND
4. Complete the following courses with a grade of C- or better (Grades of "Credit/Pass" for Winter 2020-Summer 2021 will be accepted):

- A1. Oral Communication
- A2. Written Communication
- A3. Critical Thinking
- B4. Mathematics/Quantitative Reasoning*

Lower Division Transfer

By the aforementioned deadlines, you must:

1. Meet the freshman admission requirements as described in the column to the right; AND
2. Have a cumulative GPA of 2.0 (C) or better in all transferable units attempted; AND
3. Be in good standing at the last institution attended; AND
4. Complete the following courses with a grade of C- or better (Grades of Credit/Pass for Winter 2020-Summer 2021 will be accepted):

- A2: Written Communication
- B4: Mathematics/Quantitative Reasoning

*College Algebra is acceptable in meeting the B4 requirement ONLY if the course meets that institution's GE math requirement.

Note: If you have taken coursework from an institution outside the United States, your transcript must be evaluated by a credentials evaluation service, such as the International Education Research Foundation (www.ierf.org). A detailed report by the credentials evaluation service is required in order for us to determine admissibility.

Fall

You must meet all three of the below requirements by the aforementioned deadlines:

1. Be a high school graduate or equivalent (GED); AND
2. Have or will have completed the "A-G" college preparatory courses* with a grade of C- or better upon graduation from high school (Grades of "Credit/Pass" for Winter 2020- Summer 2021 will be accepted); AND
3. A 2.5 minimum GPA for CA residents / 3.0 GPA for Non-CA residents

CA resident applicants earning a GPA between 2.00 and 2.49 or non-CA resident applicants earning a GPA between 2.47 and 2.99 may be evaluated for admission based upon supplemental factors. For CSU Channel Islands the supplemental factors are academic achievement including "A-G" GPA and "A-G" coursework completed beyond the 15 year-long college preparatory courses, community commitment including graduating from a California high school, and other attributes including being a first-generation college student and educational program participation (e.g. AVID, Upward Bound, Puente Project, MESA).

*Please refer to the following webpage for an explanation of the "A-G" college preparatory courses: go.csuci.edu/FreshmenRequirements

Outstanding Education. Smart Investment.

An extraordinary education doesn't have to come with an extraordinary price tag. In fact, CSUCI has the second-lowest tuition and fees in the CSU system.

How much does it cost to attend CSU Channel Islands?

Estimate your college costs at go.csuci.edu/costs. The following table breaks down the estimated cost of attendance for undergraduate California residents enrolling in more than six units per term for the Fall and Spring semesters.

	Living with Parents	Living on Campus
Tuition & Fees*	\$7,144	\$7,144
Room & Board**	\$9,656	\$14,200
Misc. Expenses <i>(e.g., books, supplies, transportation, personal, loan fees)</i>	\$7,376	\$4,812
TOTAL	\$24,176	\$26,156

*The amount reflects final 2024-25 tuition approved in September 2023. Non-resident students, including international students, pay tuition and fees plus \$420 per unit (\$19,744 for a 15-unit load per semester).

**On-campus room and board rates are averages for the 2023-24 academic year for the purpose of packaging financial aid. Actual on-campus room and board rates are available on the Housing & Residential Education website. go.csuci.edu/housing

The cost of attendance for students living off campus may be found on the following webpage: go.csuci.edu/costs
