

**CSU Academic Master Plan
 Ten-Year Overview of Planned Programs**

Projections Proposed to the CSU Board of Trustees
 Planned for Implementation between 2018-19 and 2028-29

Planned degree programs (“program projections”) appear in bold red font and are proposed for board approval at the March 2018 meeting. Existing, previously approved program projections appear in black font. Projected degree programs may remain on the CSU Academic Master Plan for five years after the originally approved implementation date, which appears in the far right column. Within that five-year window, planned launch years may be adjusted in response to societal need or campus schedules and resources. Current planned implementation years appear in the column to the left of the degree program. Subsequent to approval of a projection, the campus may develop a full degree implementation proposal, which requires the chancellor’s approval in order for a program to enroll students.
